

Controller::printExec

```
graph LR; A[Controller::printExec] --> B[Controller::getCommand]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Controller::printExec'. The right box is white and contains the text 'Controller::getCommand'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

Controller::getCommand
